News & Notes!!

February 2018

## Library Sage says...

...that we have TONS of great programs for adults AND for children of all ages coming up in February!

Rachel, our Youth Svcs. Coordinator, is hosting Read to Argo the Dog, Drop In Valentine's Crafts, Family Pajama Storytime and Library Olympics to name just a few!

For adults, Sara has a 2-Part Weaving Class, and a Nutrition Class (please preregister for these two events), as well as a crochet class and the Page Turners Book Club monthly meeting & MORE!!

## FEBRUARY 27th NO BRAINER DAY!!

It is believed that this event was created by Adrienne Sioux Kooper-smith in the [United States](#) as a way to remind people that most things are simple and that many problems we encounter daily have obvious and easy solutions. Take a break and avoid using your brain for anything serious!! The made-up holiday encourages people to stop over-analyzing things, second guessing themselves, and to relax and take it easy!
