On behalf of myself and my library staff, I would like to express my sincerest and most humble gratitude to all of our patrons, as well as to the citizens of Clovis, who have shown their undying devotion and commitment to the Clovis-Carver Public Library over the past year. We are strong because of you. We will continue to be strong because of you. Our library family will forever remember Krissie Carter and Wanda Walters and the dedicated service each of them provided. We ask that our patrons take the time to remember them as well. We also ask to keep in your prayers the many patrons who were either injured or affected by this tragedy. As the library staff and I continue to heal, please know that we are, and will be, committed to serving the community with our utmost professionalism. Thank you, Margaret Hinchee - Library Director
