The City of Clovis Has Upgraded Meeting Agenda and Minutes Technology

CLOVIS, NM July 20, 2023 – The City of Clovis has adopted new digital services to provide quick and convenient access to meeting information. Due to technology platform upgrades by Granicus, who provides digital government support to the City of Clovis for its Commission meetings, the MinuteTraq platform will no longer be supported.

In preparation for this, the City of Clovis has updated its agenda management to the Granicus (Peak) platform. Beginning July 20th, 2023, all Clovis City Commission as well as City board and committee meetings, including agenda, minutes and recordings, may be viewed on the City of Clovis website at <https://www.cityofclovis.org/meetings/>

"The City of Clovis has been working on the transition from Granicus (Minute Traq) to Granicus (Peak) for a couple of years," advised IT Director Stephen Rickman, Thursday. "We have worked hard to make this transition as seamless as possible for the Commission and staff who will utilize the platform. It will provide a one-stop-shop for the public to view all City of Clovis meetings, providing them with video links to watch meetings live, agenda and agenda packets, minutes and other information."
